

ICCS 2025

— Xi'an, China —
September 26-28, 2025

The 2025 the 5th International Conference on Computer Systems

2025 the 5th International Conference on Computer Systems will be held in Xi'an, China from September 26-28, 2025. It is sponsored by **Xi'an University of Science and Technology, China**; Organized by **College of Artificial Intelligence & Computer Science, Xi'an University of Science and Technology, China**.

Accepted papers will be included in ICCS 2025 Conference Proceedings, which will be archived in **IEEE Xplore**, and indexed by **El Compindex**, **Scopus**, and other indexing services.

Track 1

Artificial Intelligence and Machine Learning

1. AI-driven system optimization
2. Deep learning for computer systems
3. Reinforcement learning in distributed systems
4. Explainable AI in system design
5. Edge AI and IoT integration
6. Federated learning for privacy-preserving systems
7. AI for cybersecurity in computer systems
8. Natural language processing in system automation
9. AI-based resource allocation
10. Ethical AI in system development

Track Chair

Xiuwei Zhang

Northwest Polytechnical University,
China

Important Dates

Full-length Manuscript Deadline

June 15, 2025

Notification of Review Result

July 10, 2025

Submission Method

Submission System:

<https://www.zmeeting.org/submission/iccs2025>

Template (Word):

<https://www.iccs.net/instruct8.5x11x2.doc>

Author Guidance: <https://www.iccs.net/sub.html>
