

The 2025 the 5th International Conference on Computer Systems

2025 the 5th International Conference on Computer Systems will be held in Xi'an, China from September 26-28, 2025. It is sponsored by **Xi'an University of Science and Technology, China**; Organized by **College of Artificial Intelligence & Computer Science, Xi'an University of Science and Technology, China**.

Accepted papers will be included in ICCS 2025 Conference Proceedings, which will be archived in **IEEE Xplore**, and indexed by **El Compindex**, **Scopus**, and other indexing services.

Track 2

Cloud, Edge, and Distributed Systems

1. Cloud-native architectures
2. Edge computing for real-time systems
3. Distributed ledger technologies (e.g., blockchain)
4. Serverless computing models
5. Fog computing and IoT integration
6. Load balancing in distributed systems
7. Microservices and containerization
8. Energy-efficient cloud systems
9. Fault tolerance in distributed systems
10. Hybrid cloud-edge architectures
